Overview

BSc 4th Year Chemistry General chemistry-II BSc 4th Year Chemistry is the Major subject for BSc 4th Year Chemistry group students which has full marks of 100 and Pass marks of 35. As per TU's latest Syllabus it has 3 sections (inorganic, organic, and physical) and there will be long questions of 9 marks (for physical it is 10) and remaining short questions from each portion. In this Course, You will get Complete Lectures on [BSc 4th Year](#) Chemistry along with Live Sessions, Chapter PDF notes, Practical Help, and other study materials.

BSc 4th Year Chemistry - II (401) Syllabus

INORGANIC PORTION

- Reaction in non-aqueous solvents (short only)
- Inorganic polymers (for short questions)
- Organometallic compounds (for long and short)
- Bio-inorganic chemistry (for short questions)
- Lanthanides and actinides (for short and long)

ORGANIC PORTION

- Name reaction(can put in option, for long and short questions)
- Introduction to green chemistry(for short only)
- Organic synthesis (for both long and short)
- Introduction to supramolecular chemistry (for short questions)
- Drugs (for short and long questions)

PHYSICAL PORTION

- Phase equilibrium(for long and short questions)
- Solid-state chemistry (for both)
- Surface chemistry(for short only)
- Quantum and statistical mechanics(for short questions)

Key Learning Objectives

- Expand your understanding of Chemistry
- Learn about general chemistry-II and grab more chemical knowledge
- Solving Chemical problems
- Clear the Concepts and do your Best on the Exam

BSc 4th Year Chemistry - II Course Includes

After enrolling in this course you will get everything you need on GENERAL CHEMISTRY-II BSc 4th Year to get 50+ marks on the Final Exam. The major benefits of Joining Hamromaster Classes are:

- High-Quality Chapter Lectures
- In-depth Knowledge of Each Chapter
- Exam Focused Classes
- Each Chapter PDF Notes
- Live Revision Classes (Included)
- Practical Exam Help
- Complete TU Questions Solution
- Model Questions & Model Exams
- Chapterwise Assignments Included
- Dedicated Group for Discussion

You can Watch Demo Videos from the Course Curriculum and for Further Details WhatsApp at [9840842566](tel:9840842566) or mail at sales@hamromaster.com.
